

## Weekly Nibble: CT Food Events & Happenings For July 3 - 10

Emma Doody | June 30, 2016

Nothing embodies summertime in New England like the lobster! David Burke Prime Steakhouse, located in the Foxwoods Resort & Casino, has a tank full of live lobsters... some weighing up to 8.5 pounds! Chef Pedro Avila is using them to create special summertime lobster dishes including a Lobster Taco Trio with lobster salad, fennel slaw, and avocado mousse, Lobster Dumplings served with a lime lobster aioli, Lobster Kung Pao Style with cilantro, lime, peanuts, drawn butter and fluffy steamed rice, and Lobster Angry Style with basil and a kick of spicy lemon chili sauce. Plus, Mondays are “lobster night” where guests can enjoy a three course prix fixe menu for \$39.
