Foxwoods, Mashantucket, (860) 312-8753 (davidburkeprime.com)

Beef lovers know that there are times when nothing but prime rib will do—so when that distinctive craving comes around, why not head out to one of Connecticut's best restaurants to put it to rest? "Slow Roasted Prime Rib" is always on the menu at David Burke Prime, in fact it's right at the top.

Served perfectly to order in its own flavorful juices, with a baked potato on the side, it's one of Foxwoods' sure bets.
